We Dedicate...

This 1978-1979 Legend to a very spirited and caring lady. She teaches Occupational Students of Nursing in our school. She loves teaching and helping young people begin a career. She started teaching here in 1967. She is overstuffed with Chieftain pride. Mrs. Sarah Rollins is proud of our school and we are very proud of her. Many young people have started a good career because of her.

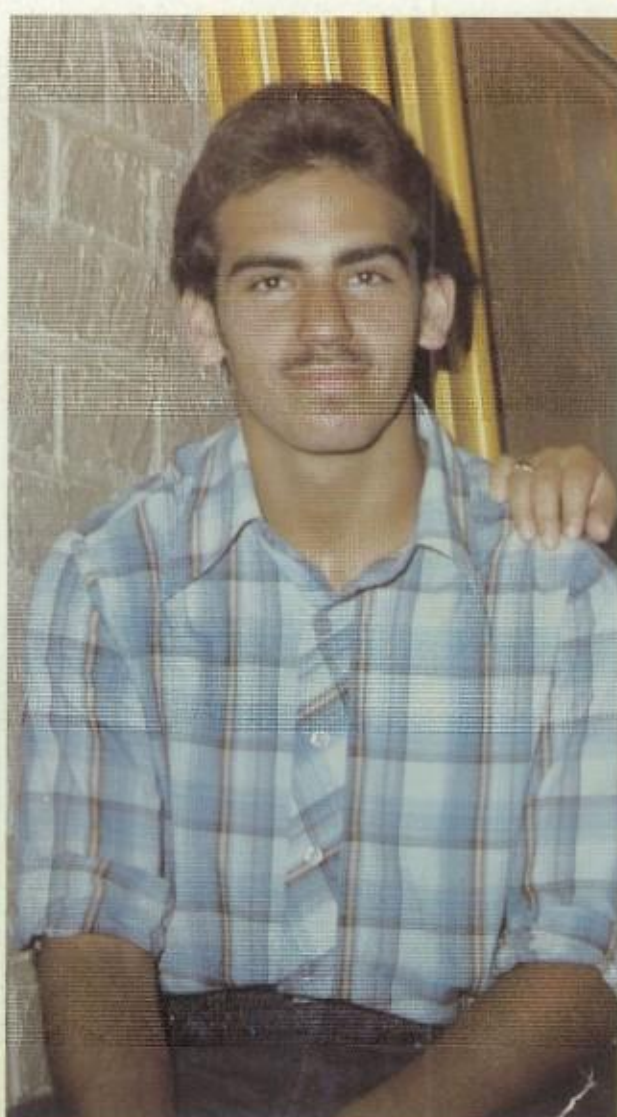

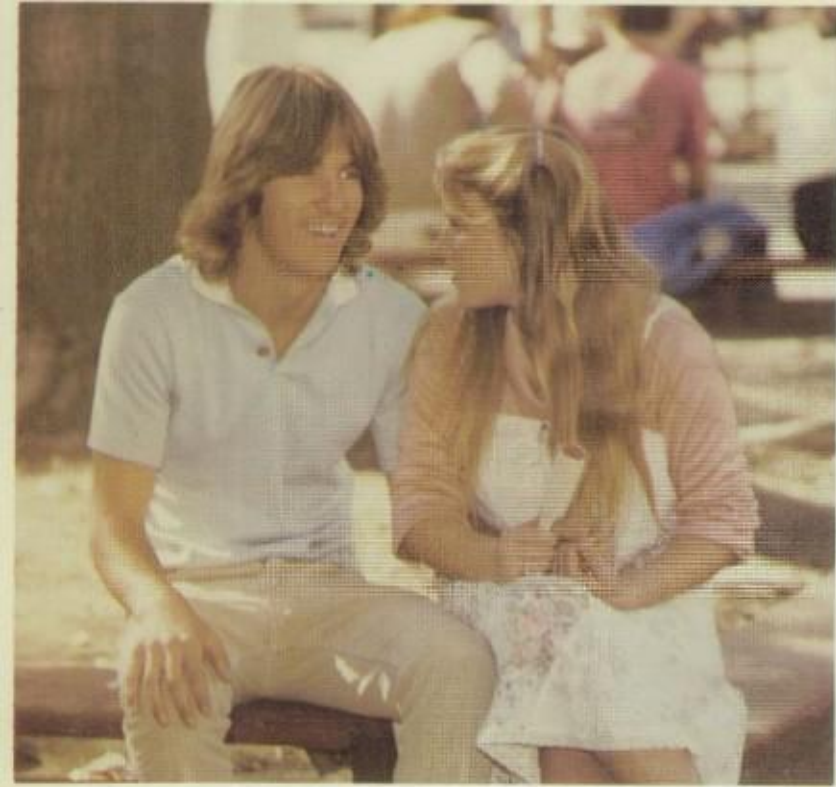

Congratulations Mrs. Sarah Rollins. We dedicate this 1978-1979 Legend to you.

"TOGETHER
WE
ARE . . ."

A Senior Blessing . . .

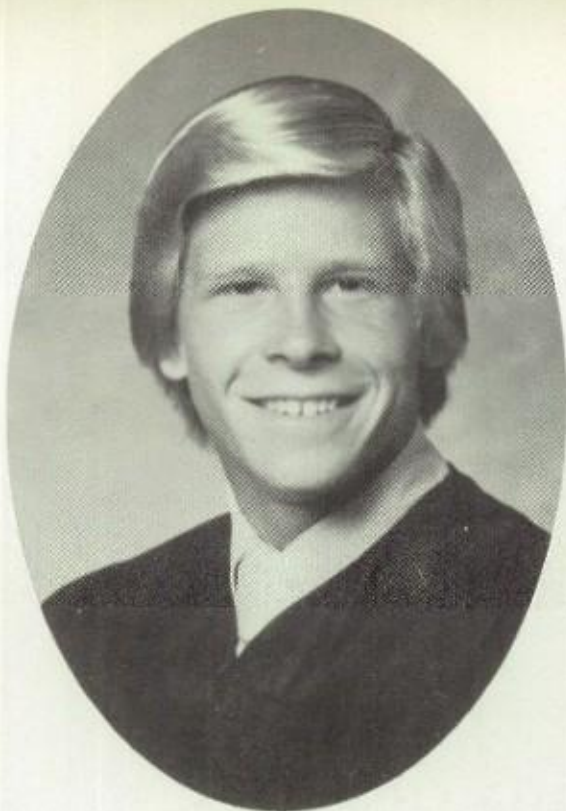

"Live each day to the fullest, get the most from each hour, each day and each age of your life. Then you can look forward with confidence, and back without regrets.

Be yourself but be your best self. Dare to be different and to follow your own star. Don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

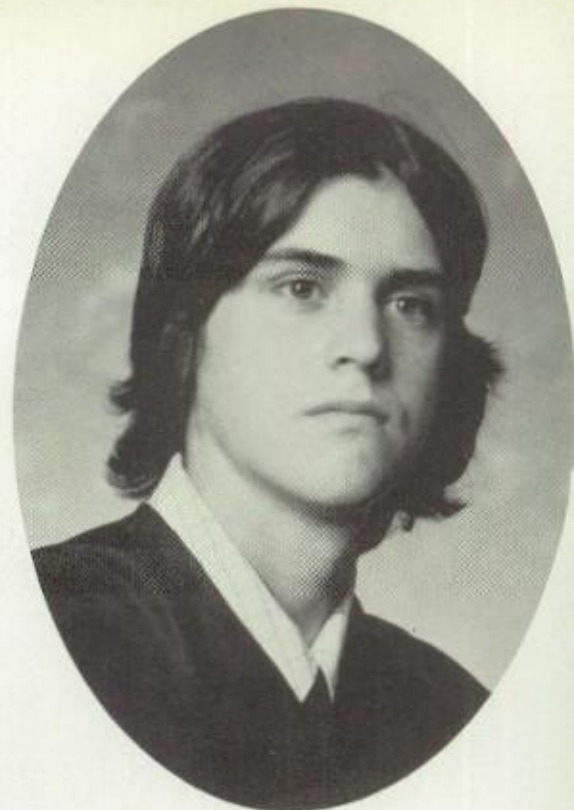

Forget what you have done for your friends and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

When you are faced with a decision, make that decision as wisely as possible — then forget it. The moment of absolute certainty never arrives. And above all, remember that God helps those who help themselves. Act as if every thing depended upon you, and pray as if everything depended upon God."

TRACY STANHOFF

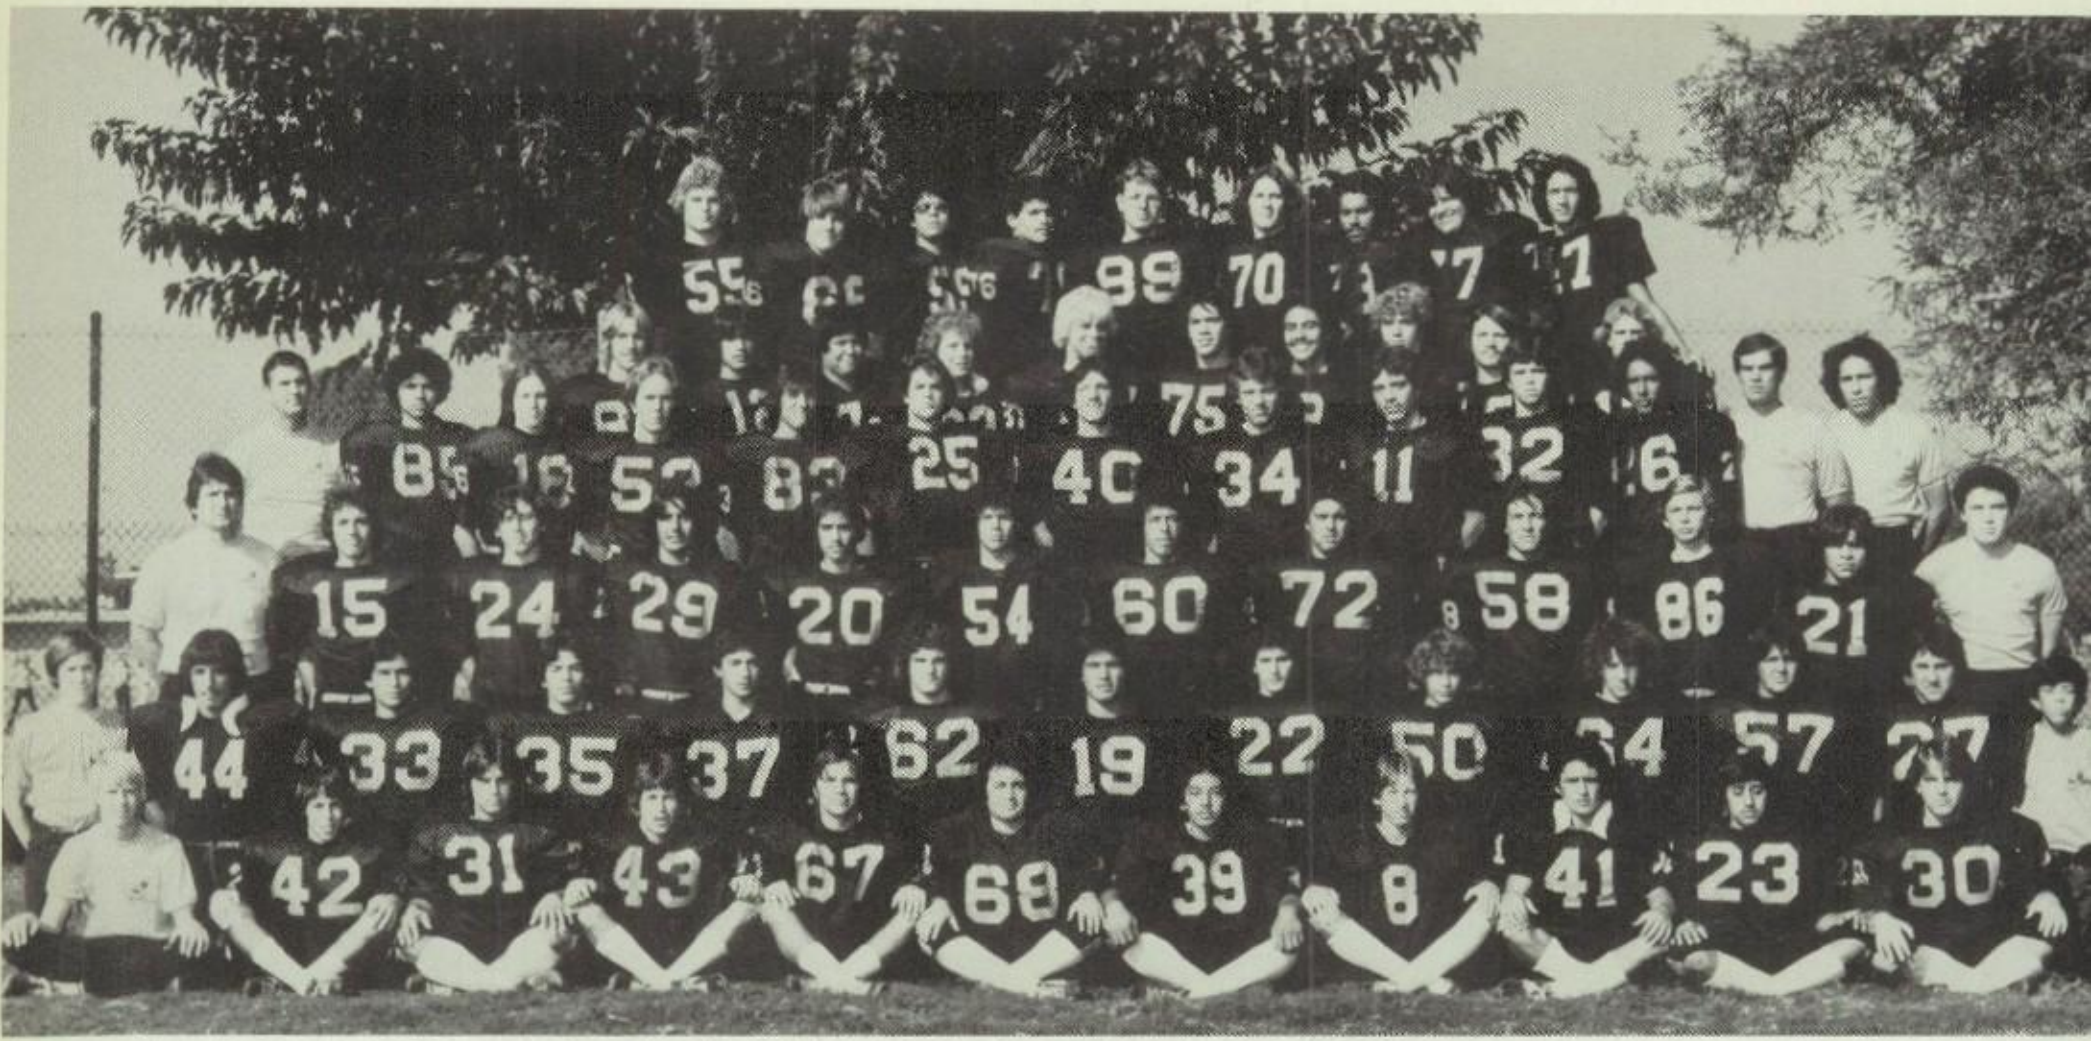

Tracy Stanhoff has worked hard at swimming for several years. She swims two workouts a day, seven days a week. Her workouts last for about three hours at a time totalling 13,000-15,000 yards per day. Tracy holds every girls' swimming record at Santa Fe. She has been named for High School All-American in both her Freshman and Sophomore years. One more accomplishment for Tracy is that she has been a member of the Senior Nationals Swimming Team for three years. She missed the 1976 Olympic Trials by only a fraction of a second, but next year she has an excellent chance to make the 1980 Olympic team. We, at Santa Fe, wish Tracy Stanhoff the best of luck in her swimming career.

Jon Real — Olympic Contender 1980-1984

In Jon's freshman year, his first year in competition, Jon won half of his meets and took 5th place in league.

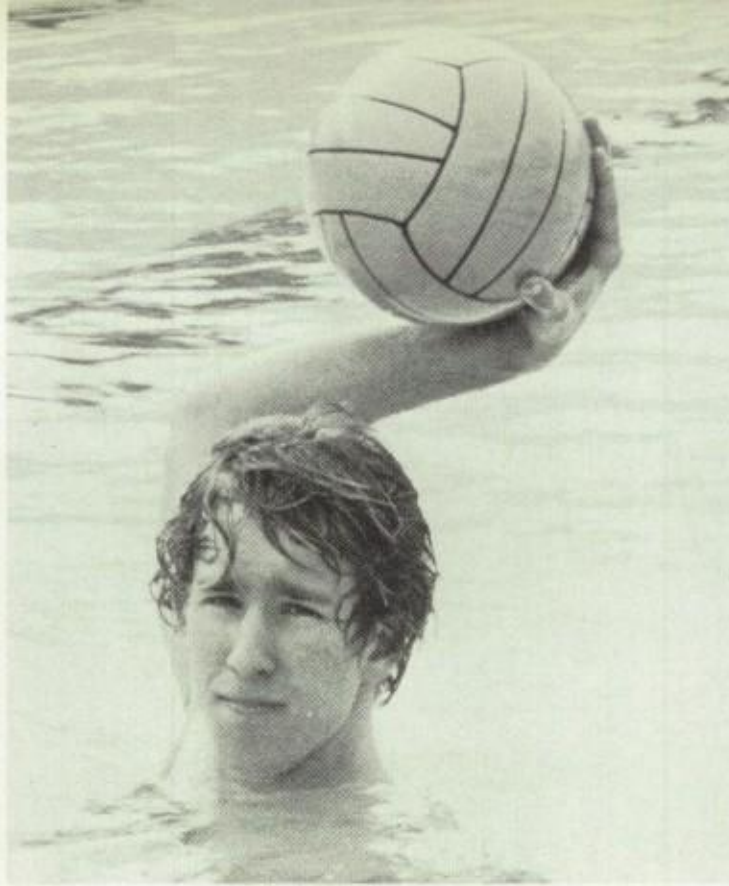

In his sophomore year, Jon received 1st place in league after going undefeated during the season. Jon also won 4 invitationals and placed 10th in CIF.

During the summer of 1977, Jon dove in AAU competition and placed 5th in state. He then went into age group national finals in San Francisco and placed 8th. During the school year, Jon dove for the East L.A. City College team. In high school competition, Jon was undefeated for over half the season until an unfortunate gymnastics accident forced him out of competition.

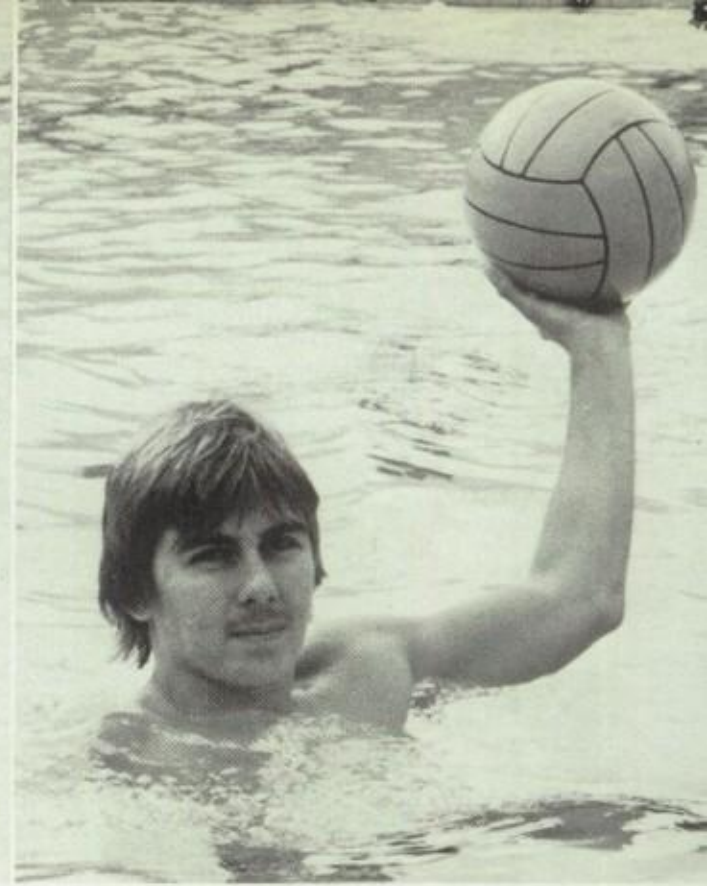

During the summer of 1978, Jon qualified for the National Pre-Quals and placed 5th in his zone. During school competition, Jon went undefeated and won league for a second time in his high school career. He qualified for CIF, but after a confusion of dates, Jon missed the meet.

Santa Fe will be looking forward to seeing Jon in the 1980 or 1984 Olympics. This is his dream and with his ability Santa Fe will be proud to back him all the way.

"Hey" we're on can-
did camera?

"Louie, LOUIE,
turn around and
smile. Quick."

What am I doing
on this page. I'm
a Junior!

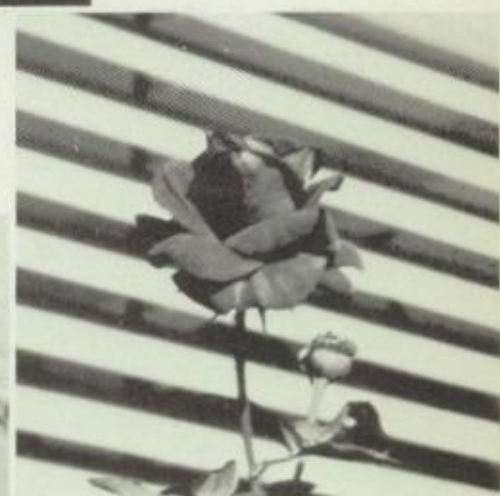

Hurry. snap

smile forever.

"And the kids complain about
homework. Huh!"

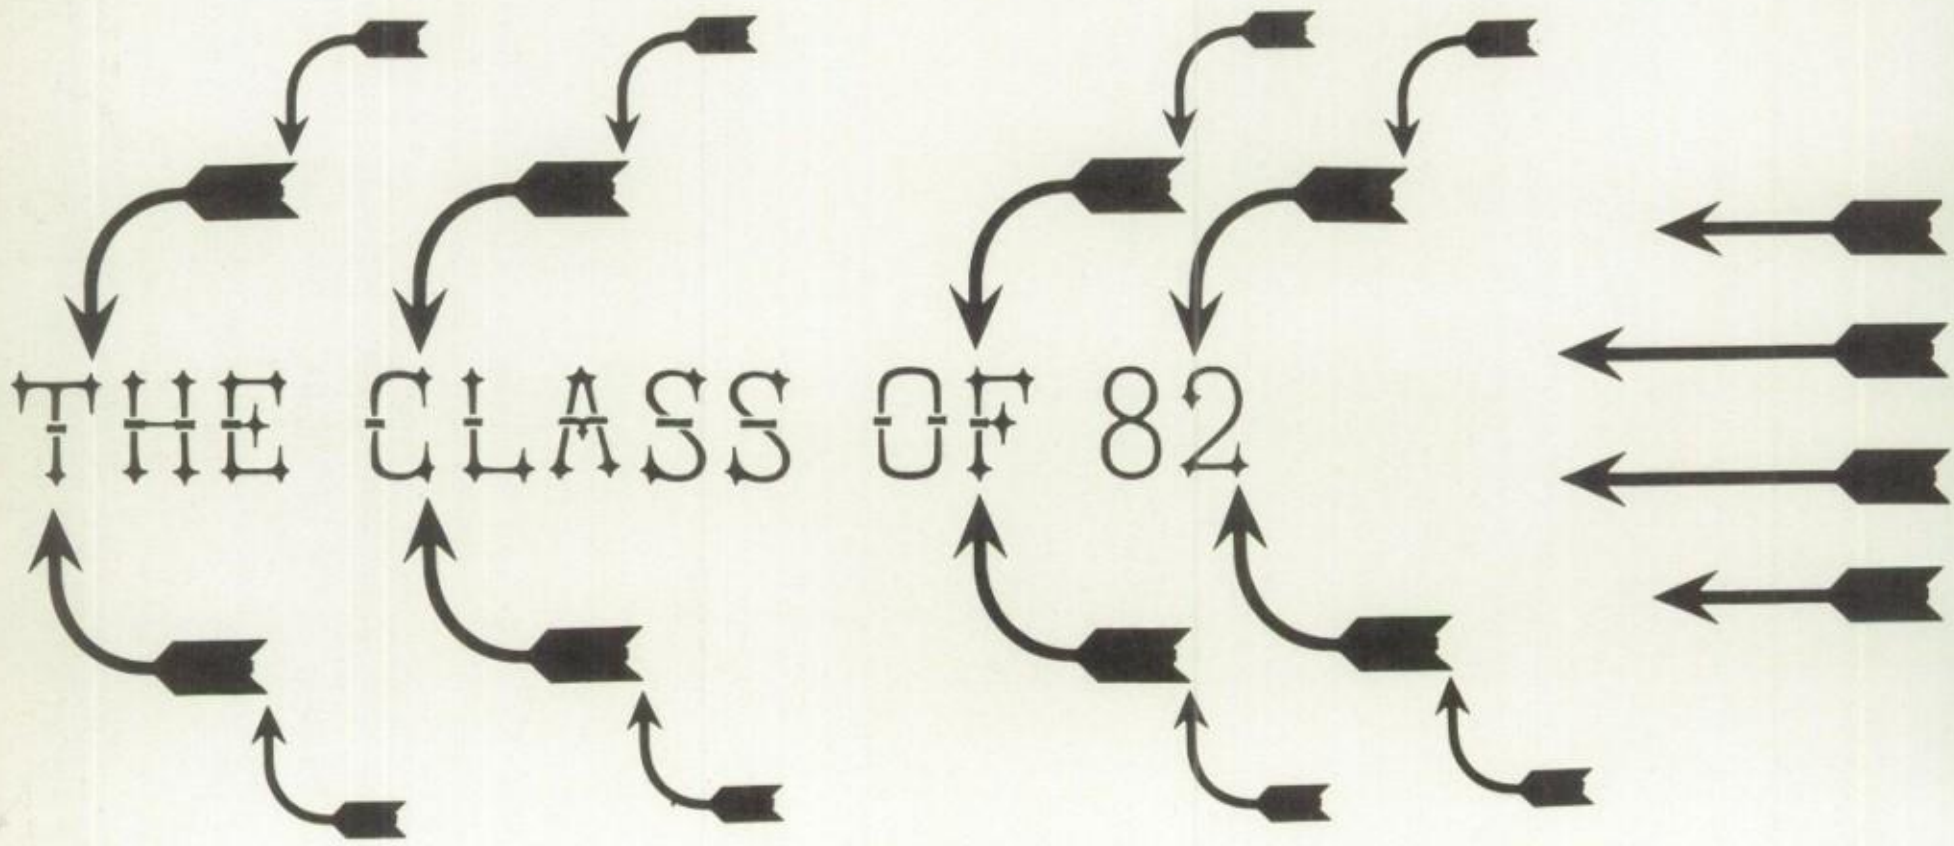

I bet you never thought
a rose would get a com-
ment in the yearbook.

What's with the camera?

This space is provided for the comments by
